FACIAL TREATMENTS

LA CLINICA FOR SKIN & BODY

is a cosmeceutical skin care line focused on results, high quality, safety, purity and certified organic ingredients. Its luxurious, high performance products cater to all the different skin types and conditions, for everyone at any age.

REBALANCING VITAMIN A SPA FACIAL \$110

To help detox, purify and heal skin. Awakens the skin's metabolism, stimulating it to clear away toxins and restore natural beauty and glow. This facial treatment incorporates a synergistic blend of plant essences to rebalance, soothe and heal skin.

SKIN CONDITIONS: Combination skin. Skin conditions in need of rebalancing, wound repair and fortification.

CLEAR SKIN TREATMENT \$110

To deep cleanse, treat and manage acne conditions. This treatment assists with the clearing of eruptions, pustules and the control of acne. The treatment products use a combination of Retinyl Palmitate (Vitamin A), Multi-Fruit Acid, White Brilliant Complex, deep cleansing clays and plant essences including Lemon Scented Myrtle and Roman Chamomile.

SKIN CONDITIONS: For oily, acne and pustular skin conditions in need of deep cleansing, calming and control of sebaceous activity.

ANTI STRESS FACIAL TREATMENT \$110

A facial treatment created to soothe the skin, relax facial muscles, reduce the appearance of facial tension, help diminish redness and leave the skin looking and feeling softer, more radiant. The ingredients contain natural anti-inflammatories and calming peptides that will help the skin to look and feel calmer, softer and more hydrated.

SKIN CONDITIONS: For skin that is prone to redness, irritation, flakiness, inflammation, itchiness and dehydration. Suitable for sensitive skin conditions including rosacea, dermatitis, psoriasis and eczema. Ideal as a post laser or post procedure facial.

ANTI AGEING HYDRA RESTORE TREATMENT \$110

A beautiful hot oil infusion mask treatment to rejuvenate, nourish and fortify skin. This luxurious treatment leaves skin looking younger, healthier, radiant, feeling softer and smooth.

SKIN CONDITIONS: For skin that is showing signs of dehydration, dryness, flakiness and wrinkles.

ADD A PEEL ONTO YOUR FACIAL \$50

AGE REVERSAL 5 LAYER SKIN PEEL TREATMENT \$110

A high strength treatment for deep wrinkles / acne scars / thickened skin texture / sun damage. This is a high strength, skin peeling rejuvenation treatment that may involve down-time as skin is treated with intensive strength ingredients to cause deep exfoliation and rejuvenation. Expect skin to be red and flaky during this series of treatments.

GLY C REFINE SKIN PEEL TREATMENTS \$70

The gentler choice for professional skin peels. To refine skin's appearance and texture, minimises the visible signs of ageing, balances irregularities in skin tone and pigmentation, softens dry and dehydrated skin types, reduces blackheads and other blemishes, counteracts effects of acne skin conditions, reduces the appearance of sun damage.

A course of 5 weekly x 15% Glycolic Peel treatments is recommended.
